Dear Sir

**NOTIFICATION OF APPLICATIONS TO UNDERTAKE WORKS TO TREES IN
CONSERVATION AREAS**

**FELLING OF ONE SYCAMORE TREE
RECREATION GROUND, BRAISHFIELD ROAD, BRAISHFIELD**

I am writing with reference to your notification of the proposed felling of the above sycamore tree, within the Braishfield Conservation Area.

Having inspected the tree, the Authority's Arboriculturalist and Planning Officer confirm that it would be inappropriate to retain this multi-stemmed tree in this location, in the long term and that its removal would be unlikely to significantly detract from the visual amenities of the conservation area. Accordingly, the Local Planning Authority would raise no objections to the proposed felling.

You may therefore accept this letter as the written confirmation of this Authority to carry out the works as proposed. Please note however that all approved works should be carried out in accordance with the provisions of BS.3998 - "Recommendations for Tree Work", in the interests of good arboricultural practice.

Yours faithfully

Senior Planning Officer
