Dear Sir/Madam

WORKS TO TREES IN CONSERVATION AREAS

APPLICATION NO: 07/00265/TREES
PROPOSAL: Prune Beech and Horse Chestnut, fell Raywood Ash
LOCATION: Braishfield Recreation Ground, Braishfield Road, Braishfield, ,
BRAISHFIELD

I am writing with reference to your notification of the above proposed works within the Conservation Area.

Having inspected the trees, the Local Planning Authority would raise no objection to the proposed works.

You may therefore accept this letter as written confirmation from this Authority to carry out the works as proposed and that no further consent will be required. This letter of no objection is valid for a period of two years, after which a new notification must be made.

Please note, however, that you are advised to employ a qualified tree surgeon and, in the interests of good arboricultural practice and the visual amenities of the area, all approved works should be carried out in accordance with the provisions of BS.3998 – "Recommendations for Tree Work".

Yours faithfully

Madalene Winter
