

A Special meeting of the board was held on the 11th May 1959 ^{at 10.30} at the Chapel
Presby.

Seventy seven (thirteen)
Miss Gawn Messrs Bottola Travis
Wickett & Parsons. Byella
with Mr Brown the District
board representative

Mr Brown reported that when the
Surveyor had visited the lot office
site it was difficult to get the
desired number of dwellings onto
the site.

As an alternative it had been
suggested that some of the dwellings
be erected on the Chapel site.
Members expressed their views
to Mr Brown and it was agreed
that the Chapel site should be
used and that the number of dwellings
be divided between the two sites.

1 June 1959.
