Footpaths

The Chairman introduced Mr. Newberry
from the County Surveyors Department
who spoke at some length with regard
to the County Council policy with
regard to footpaths stating that it
was not proposed to close footpaths
but to put the footpaths into three
three categories:

1. Those which provide useful shortcuts
2. Those which enable local inhabitants
to enjoy a country walk.
3. Those which are necessary to provide
by distance routes where no shorter
walk.

The County Council were prepared to
spend money on these paths that were
well used and essential.
