

A meeting of the Board followed
the annual meeting held
General A. L. Benson
Wm. H. Benson
Messrs. Isaac & Parsons, Hobbs

Minutes of the last meeting were read
and confirmed.

The Board stated on behalf of the Report
that they require a valuation and
were prepared to send the same free
of cost to the Board if permission was
given for its inclusion in the Report
Board. After discussion it was agreed
that subject to the matter being order
refers to the deed were considered
that approval be given for its insertion.

It was reported that the Council
Surveyor was reviewing the report that the
Council of his Board garden and
that attention would be given to the
greenward.

The Board read a letter from Mr. Hobbs
and Mr. Hobbs reported that Mr. Hobbs
had been in touch with them and
given details of the work proposed
to be done on the station the
coming year which seems to meet
the requirements.

The following cheques were drawn

and signed.
