

A Special meeting was held on Thursday the 12th September. At the Social Club present all the members of the Council and the Secretary and representatives of the Club:-

The Chairman explained the purpose of the meeting and proposed to build a new club on another site and impressed on representatives the necessity of using or demolishing the present building so they did not become a desecrated eyesore. The legal position was discussed and it was agreed that the position should be placed before the Solicitor for the Parish Council Association for his views thereon.

It was subsequently discovered that the plan for the new building had been turned down by the planning Committee and new plans would have to be prepared and submitted.
