

BRAISHFIELD PARISH COUNCIL

Minutes of the Special Meeting of the Braishfield Parish Council held at the Womens' Institute Hall, Braishfield, on Monday, 28th April 1980, at 6.45 p.m.

192. PLANNING APPLICATIONS

Resolved that comments, as indicated, be submitted to the Test Valley Borough Council on the undermentioned planning applications:-

- (a) TVS 2147/2 - Parking of Mobile Home on Site at Merrie Mead Farm, Braishfield: Mr. K. Emery

No objection, subject to satisfactory arrangements being made in respect of the disposal of effluent; and to attention being drawn to the fact that should any further growth be planned, this will aggravate the access problem referred to in minute 38 (28.8.79).

- (b) TVS 1213/4 - Garage for the Gas Conversion of Cars and Siting of Low Pressure Gas Storage Vessel - Braishfield Garage: Mr. P. Watkins

No objection, but concern is expressed:-

(i) that the proposed low pressure gas tank is to be sited in close proximity to the proposed village hall; and

(ii) the two trees indicated on the submitted plan should be retained.

- (c) TVS 731/2 - Four Bedroom Dwelling with Double Garage - Land adjoining Fairbourne Place, Braishfield: Mr. T.E. Collingwood

No objection, subject to:-

(i) the location of the access to the site being investigated with a view to sight lines being improved; and

(ii) the tree in the garden, as shown on the submitted plan, being retained.

- (d) TVS 429/5 - Kitchen and Dining Room Extension with Bedroom Over - White Cottage, Dores Lane, Braishfield: Mr. and Mrs. G. R. Thomas

No objection.
