154. PLANNING

Fairbournes Farm

The Parish Council welcomed the proposal to restore the listed buildings on the Fairbournes Farm site funded in part by the construction of several small dwellings. However the Council was concerned about a number of aspects in the proposed development and wished the applicant to withdraw it so that these could be discussed. The Council expressed disappointment that there had been no prior discussion on these matters.

The Council therefore agreed to object to the application and request discussions on the highway access, parking allocation, position and size of the agricultural buildings, justification for a new farmhouse and provision of home/working units.

155. FINANCIAL MATTERS

AGREED that the following accounts are paid:

HAPTC	Councillor Training	£40.00
Banyards	Recreation Ground tree work	£634.50
