It has an area of **983.19** hectares which represents **1.57%** of the total area of Test Valley; in terms of size, **Braishfield** is Test Valley's **twenty-ninth largest** parish. The parish's population is **684** and its population density is **0.70** people per hectare, which is lower than the borough's average population density of **2.10** people per hectare.

Census Data

Some of the data used in this profile is taken from the 2011 Census; where this is the case, this is clearly labelled. Though this data is from several years ago, the breadth and volume of information the Census collects means it remains a valuable source of data and a reasonable indication of current trends. Data from the 2021 Census will be released by the Office for National Statistics in 2022/3. When this happens, this profile will be updated and circulated to Councillors.

Deprivation

The English Index of Multiple Deprivation 2019 is designed to identify areas where communities lack resources and are in need. To do this, seven factors are considered, which are:

- income deprivation;
- employment deprivation;
- education, skills and training deprivation;
- health deprivation and disability;
- crime;
- barriers to housing and services;
- living environment deprivation.

Areas are scored on each of these factors, and ranked nationally from least deprived to most deprived.

This map shows the deprivation scores for parish of Braishfield against all areas in Test Valley. Of 32,844 areas ranked across the country, the majority of Braishfield ranks 28,035th, this puts it in the **20% of least deprived** areas in the country. A small area to the south of the parish is ranked within the top 40% of least deprived areas in the country.

More specifically, the vast majority of Braishfield ranks in the top 10% of most deprived areas when it comes to physical proximity of local services. This area is also in the top 20% of most deprived areas when it comes to the quality of housing.

Employment by sector

Following the Local Government Boundary Commission for England (LGBCE) review in 2017, new Ward and Parish boundaries have been introduced in Test Valley. Hence, this information has been produced on a 'best fit' basis, it's not an exact representation of Braishfield but provides as good an indication as is currently feasible.

This data is taken from the 2018 UK Business Register and Employment Survey which is produced by the Office for National Statistics (ONS). This dataset relies upon a sample of 85,000 businesses across the country, from which these estimates are modelled. As such, there will be some sampling variability which result in the quality of the estimates deteriorating for smaller geographies. A better indication will be available from the 2021 Census which will be available in 2022/3; once this data is released, this profile will be updated and circulated to Borough and Parish Councillors.

This graph shows the percentage of the workforce by sector, according to the latest Business Register and Employment Survey in 2018. The largest sector employing people in Braishfield is Professional, Scientific & Technical (36.4%) followed by Accommodation & Food Services (18.2%) and Information & Communication (6.1%).

Community plans

Braishfield has a **Village Design Statement** which was adopted by Test Valley Borough Council in April 2002 as Supplementary Planning Guidance. The design statement (which is currently being updated) provides a description of the natural and man-made features of the village of Braishfield that are regarded by the members of the community as particularly distinctive. The document provides a guide to ensure that future development and change is managed to respect and preserve the character and distinctiveness of the village. It should thus contribute positively to protecting and enhancing the special nature and qualities of the community that is Braishfield today.

The Village Design Statement can be accessed using the following link:
